

## BONA MIX & FILL

### Product Description

Bona Mix & Fill is a non-toxic waterborne filler designed to be mixed with fine sanding dust from a newly sanded floor to provide a good colour match to the timber. Mix & Fill is perfect for trowel filling all types of parquet floors, or filling small nail holes and gaps up to 2mm. Excess filler is easy to sand away. Mix & Fill dries in as little as 20 minutes.

### Features

- Non-toxic - low odour
- Guarantees good colour match
- Compatible with most floor finishes
- Fast drying
- Easy to sand
- Minimal wastage
