

Bona Edge

Bona Edge

The Bona Edge is an extremely strong edge sander although it has a very light weight. It can be fitted with holed-discs or Velcro discs. It also picks up dust better than any other edge sander on the market. For the contractor's convenience the Bona Edge has illumination and is also portable.

Field of application:

For edge sanding of all kinds of wooden floors and parquet floors.

Key Benefits

- Light weight
- Powerful motor
- High sanding ability
- Very maneuverable
- Efficient vacuuming
- Both for discs with holes and velcro discs
