

Quick-Step® CLEAN

Product discription

Quick●Step® Clean enables to hygienically maintain your Quick-Step floor effortless. Ideal for daily maintenance of your floor.

Packaging

Packed in a bottle of 1000ml or 2500ml.

Product properties

- Fresh and pleasant odor
- No buildup of layers. Existing layers are dissolved by the product, in doing so there is no dirt or debris left.
- Deepens the color of your floor.
- Emphases the characteristics and features of your floor.

Area of application

For daily maintenance and cleaning of Quick-Step laminate, parquet and Livyn.

Instructions:

1. Clean the floor on a regular basis with cleaner diluted in water. Measurement: 2 capfuls of cleaner (use the cap of the bottle) of cleaning product in a bucketful of water. Wipe the floor with a slightly damp, non-fluffy cloth or mop which has been dipped in the cleaning product.
2. ALWAYS wipe off with a dry cloth until no moisture is visible on the floor.
3. Avoid using excessive water.
4. TIP: regularly rinse and wring out.

Technical features:

Basis	tension active substances in an aqueous solution
Drying	physical drying
color	Light blue
view	fluid
density	1,0 kg/l
pH:	8 – 9
VOC	10% (100 g/l)
Packaging	1.0 l or 2.5L
Non-ionic surfactants	<5%
Preservatives	5-15%
Polycarbonate	5-15%
Measurement	1:50 (2 caps in a bucketful of water -10L)
usage	Min. +5°C, ideally between +18°C en +20°C
Storage life	Can be kept for 36 months after production date in the original packaging and under normal conditions.

Safety information:

Keep out of reach of children. Store in a frost free place. Do not mix with other products. Close bottle after usage. Carefully read the instructions on the packaging. Material Safety Data Sheets are available upon request.
